

Summary

Amalia meets Stanford again at his house to see if he needs any help, hoping to learn more about him. He declines, but his stomach growls, notifying Amalia of his hungry belly. This is a chance for her to cook more and grow closer to Stanford. She goes around Respite finding ingredients and makes a meat pie. As thanks, Stanford reveals his past as an adventurer, and now he also feels responsible for Eleanor missing.

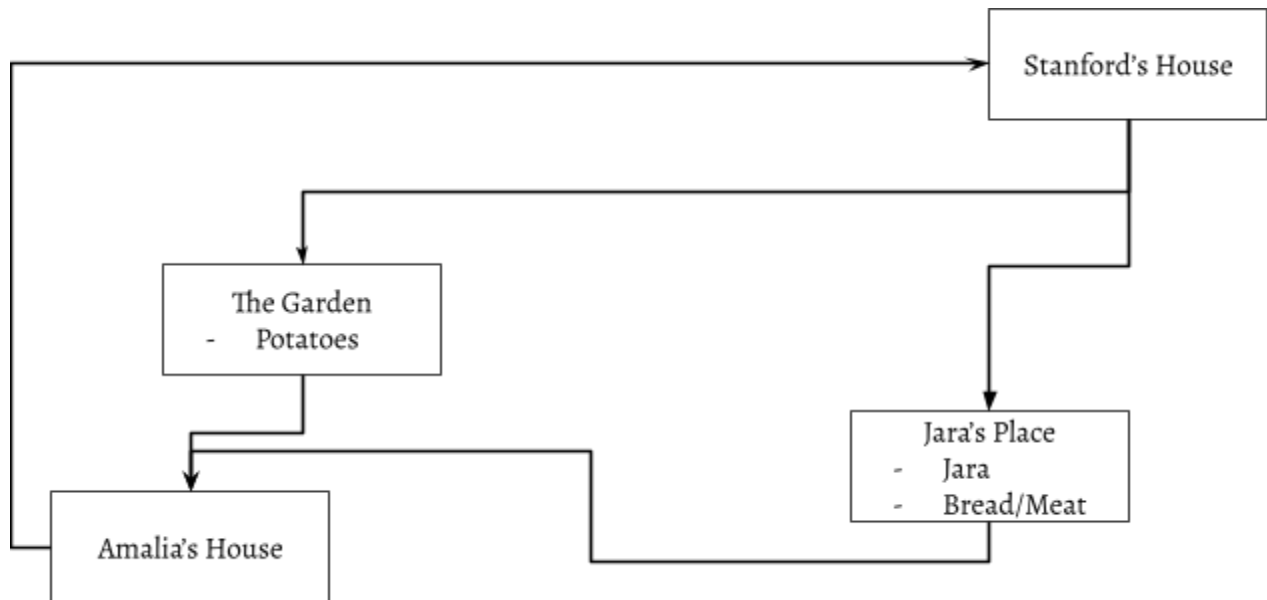

Characters

Amalia..... Main Character, loves cooking and gardening
Stanford..... Gruff old woodcutter, lives alone
Jara..... Respite's baker and mother of Percy
